Goodbye, Great Wall of Po Kwong

This month, building started at Po Kwong. When it is finished, we will have a new dormitory and teaching block. Some of our students will live there, making coming to school easier for them. It could be noisy over the next few months, so be prepared!

The new building means that some of the Great Wall of Po Kwong will be removed. It will be missed by many of us, but we know that the new block is going to be an important part of our school community.

Students say goodbye to our very own Great Wall.

Another Successful Charity Walk

This year's charity walk was great, despite some bad weather. It was a cold, rainy day, but that didn't stop us from having a good time.

As well as the hike to the top of Butterfly Hill, there were snacks, activities, games, and interesting things to buy. Money was raised and fun was had - excellent!

Teachers and members of our association lead walkers out of school.

Great Progress in English

Students from P4B & P5B work together to create sentences about animals.

Students across the school have been making progress in their English learning. Some students in KS1A&C have shown good reading ability, and more and more students are practicing English during recess. This is really great to see!

Po Kwong's English teachers are impressed by our students' hard work and positive attitudes!
