Welcome Back to School!

Welcome back to Po Kwong, everyone. We hope that you all had a very good summer.

It has been a busy start to the school year.

Teachers are busy preparing fun and interesting activities for lessons. Students are trying to remember what they learnt last year!

Here are some of our new P1 students. In the pictures, they are making English name cards. It has been a great start to school for them.

Building Continues at Po Kwong

There are a lot of builders and big machines around our school. They have been working all summer, but they still have a lot to do. We must all be careful not to disturb them. Sadly, we cannot use all of the playground at the moment. There is nothing to worry about!

Our school is a very busy place right now. Don't worry about the noise - it won't last forever!

What did you do in the summer?

- Did you go to the beach?
- Did you play with your friends?
- Did you visit another country?

Your teachers would love to hear about your summer holidays.

Come and talk to us!
